## MEDIA RELEASE

### Progress Along Branson Hwy 76 to Close Francis Street and Interrupt Water Service Monday

**Branson, MO (January 26, 2017)** – The City of Branson will close Francis Street between Sheryl Street and W Highway 76 from 7:00AM-4:30PM on Monday, January 30 while a water connection is performed on Francis Street.

Traffic will be detoured from Francis to Ellen St, and customers in the following zone should expect interruption of water service:

- East boundary: Presley's Theater
- West boundary: Hwy 76/165 intersection
- North boundary: Hwy 76
- South boundary: Judy Street

This work will be completed between the hours of 7AM-4:30PM, so businesses and residents in this area should anticipate water service interruption, and make plans to reroute thru traffic via Ellen Street.

Branson Utilities personnel will be distributing door hangers for those businesses and residences that will be impacted by this progress.

We apologize for the inconvenience, and wish to extend our sincerest gratitude to the community and to Hwy 76 stakeholders for supporting our work to move #BransonForward!

Please note that there are many methods available to receive updates via email or Text/SMS messages delivered to mobile devices. Parties may receive immediate SMS notifications by subscribing at:
