MEDIA RELEASE

City of Branson Reopens Three Lanes of Highway 76 at Rosalee Street Ahead of Schedule

Branson, MO (January 26, 2017) – The City of Branson has reopened all three lanes of West Highway 76 at Rosalee Street two days ahead of schedule following underground utility construction across the highway.

Crews installed a new waterline and underground utility conduits across Highway 76 at that location as part of the 76 Revitalization Program, during which time traffic was reduced to only one lane. The construction started last Monday and was to be completed late Friday. However, construction crews finished earlier than expected and all lanes of 76 are now reopened at Rosalee near Presleys' Theater.

Please note the many methods available to receive updates via email or Text/SMS messages delivered to mobile devices. Parties may receive immediate SMS notifications by subscribing at: <http://mo-branson.civicplus.com/list.aspx>.

Those who prefer social media updates may also find updates by "Following" [@CityOfBranson](https://twitter.com/CityOfBranson), on Twitter, and also at two locations on Facebook: www.facebook.com/CityBranson and www.facebook.com/Branson.Missouri.9.

The Fire Department's Emergency Management Division provides the **BransonALERTS** system to receive construction and traffic alerts during construction via email, text message, cell phone or landline phone. Registration is easy and FREE! Select **BransonALERTS** on the City web site at www.BransonMo.gov and follow the prompts to sign up. Or, contact the Fire Department's Emergency Management Division at (417) 243-8584 for more information.

Media inquiries related to this content may be directed to Jennifer Langford, City of Branson Communications Manager, at JLangford@BransonMO.gov or by calling **417.337.0017**.
